

## ANNOUNCEMENT

### **12th INTERNATIONAL CONFERENCE ON COMPUTATIONAL LINGUISTICS**

**August 22-27, 1988, Budapest, Hungary**

The Conference is sponsored by the International Committee on Computational Linguistics (ICCL), and is organized by the John von Neumann Society for Computing Sciences in cooperation with the Computer and Automation Institute, Hungarian Academy of Sciences and the Institute for Linguistics, Hungarian Academy of Sciences

#### *Call for papers*

Papers are invited on substantial, original and unpublished research in all aspects of CL in a broad sense including but not limited to:

- *theoretical issues* related to linguistics, mathematics, computer science and cognitive science;
- *computational models* (phonemics, morphemics, syntax, semantics, pragmatics)
  - parsing and generation,
  - discourse,
  - speech acts and planning;
- *linguistic contributions to*
  - NL dialog systems, intelligent and cooperative question answering,
  - machine and machine-aided translation,
  - speech understanding and voice output procedures,
  - text generation,
  - document-based information retrieval systems,
  - building of dictionaries for humans and machines,
  - intelligent text editors;
- *knowledge representation and inferencing*
  - language comprehension
  - automatic creation of knowledge bases from texts;
- *hardware and software support* for language data processing;
- *CL tools for language learning and teaching.*

Authors should submit 4 (four) copies of an extended abstract not exceeding 7 (seven) double-spaced pages plus a title page including the title, the name(s) of the author(s), complete address, a short (5-line) summary, and a specification of the topic area.

Abstracts should be received not later than December 10, 1987 by the Chairperson of the Programme Committee:

Dr. Eva Hajičová,  
Charles University,  
Faculty of Mathematics, Linguistics,  
Malostranské No. 25,  
118 00 Praha 1,  
Czechoslovakia.

Authors will be notified of acceptance by February 28, 1988. Camera-ready copies of final papers should be received by April 30, 1988.

*Further information*

Inquiries about program, exhibitions, and (live and video) demonstrations should be directed to:

COLING 88 Secretariat,  
c/o MTESZ CONGRESS BUREAU,  
H-1055 Budapest, Kossuth tér 6-8;  
telex 225792 MTESZ h.

Please note that COLING 88 will immediately be followed by the 3rd EURALEX Congress on all aspects of lexicography to be held also in Budapest.
